

TODAYS PLAN FOR  
TAKING OVER THE CITY  
WILL BE?????

???????

**I GOT IT!!!!**

I WILL USE MY NEW  
FORMULA TO  
CONTAMINATE THE  
WATER SUPPLY

FIRST I WILL BUILD A TIME  
MACHINE TO TAKE ME  
BACK TO THE YEAR 1990.  
THAT WILL GIVE MY  
FORMULA JUST ENOUGH  
TIME TO TAKE EFFECT!  
ALLOWING ME TO CONTROL  
EVERYTHING! HAHahaha

LUCKILY I HAPPEN TO  
HAVE ONE RIGHT HERE..

NOW I WILL GO BACK TO  
1990 AND CONTAMINATE  
THE WATER SUPPLY AND  
START MY EVIL PLAN.

CLICK! CLICK! CLICK!

**BANG!**

**WOOOOOOOOSH!**

SO THIS IS THE YEAR  
1990?  
NOW I WILL HAVE TO FIND  
A LARGE BODY OF WATER  
NEAR THE CITY.

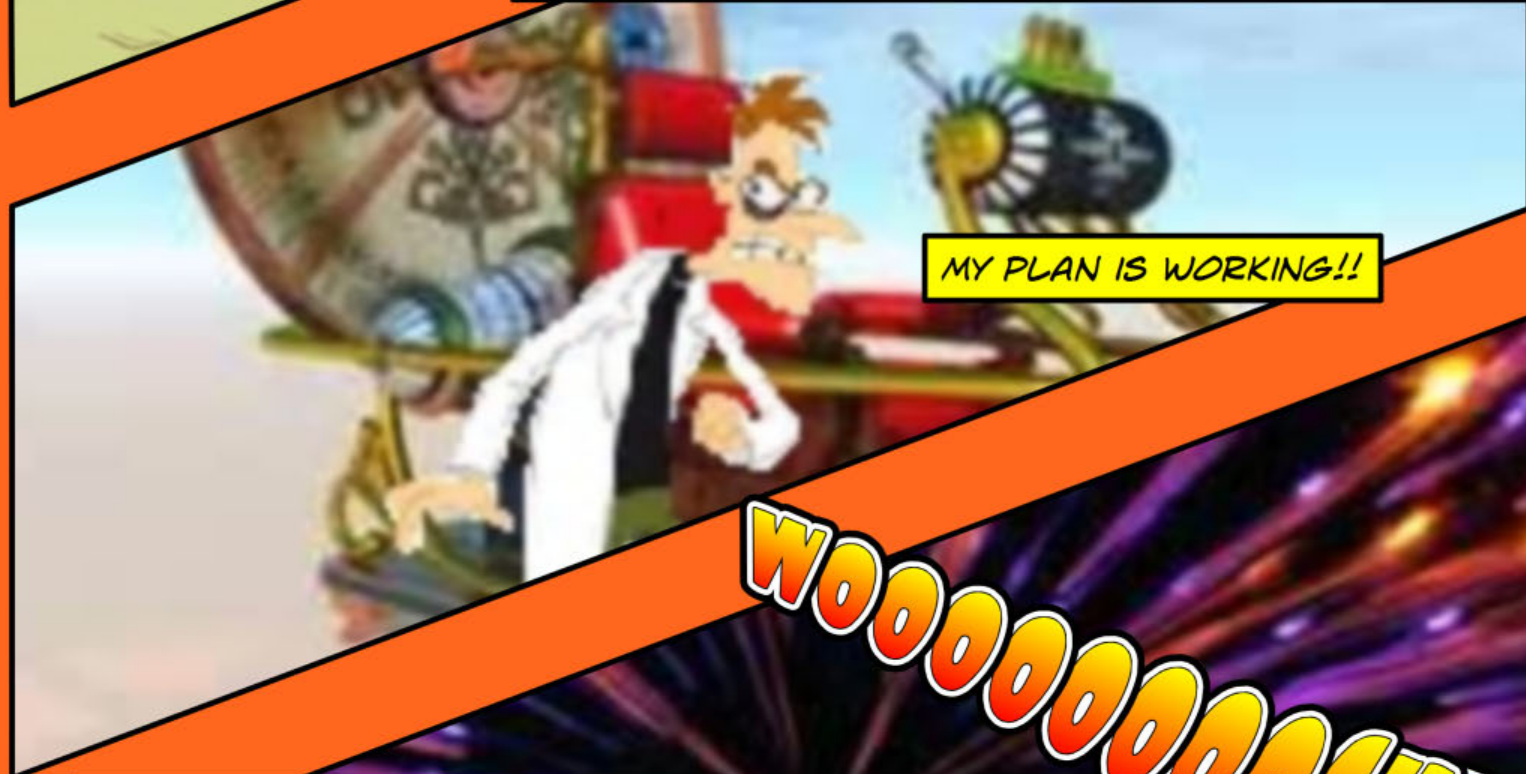

THIS SITE IS PERFECT FOR MY PLANS!!!

NOW BACK TO THE FUTURE TO TAKE OVER EVERYTHING.

MY PLAN IS WORKING!!

CLICK! CLICK! CLICK!

WOOOOOOOOSH!

BANG!

ARE YOU OK  
SPIKE? YOU LOOK  
LIKE SOMETHING  
IS WRONG.

I THINK THERE IS  
SOMETHING WRONG  
WITH THE WATER!!!

I DON'T FEEL SO  
GOOD. I HAVE A  
BAD FEELING  
ABOUT THIS.

THIS  
DOESN'T  
LOOK GOOD  
FERB.

FERB!! WE NEED TO FIND OUT  
WHAT IS IN THAT WATER AND  
FIX IT BEFORE EVERYONE  
TURNS INTO A ZOMBIE LIKE  
SPIKE.

I THINK WE'RE  
TOO LATE!

ARRRGH!!

UGGH!!!

BRAINS!!

UM, HAS THE  
LAKE ALWAYS  
BEEN RED?! OR  
AM I JUST  
SEEING THINGS?!

FERB, I THINK WE FOUND OUR FIRST CLUE! LET'S  
GET HOME AND DO SOME RESEARCH...

I THINK WE FOUND  
THE PROBLEM,  
FERB.

THERE IS, SOME KIND OF  
CONTAMINATION IN THE LAKE  
THAT IS FILTERING INTO THE  
CITIES WATER

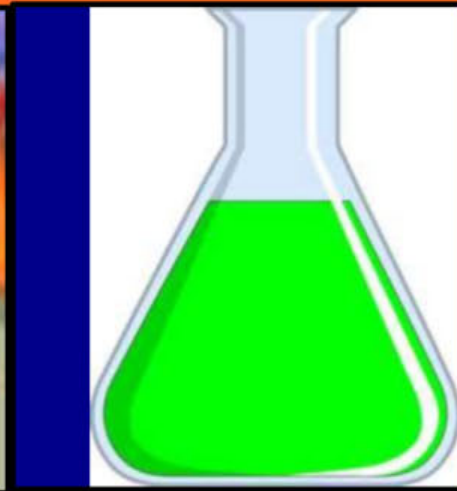

SO HOW DO WE FIX IT

WE NEED TO DO MORE  
TESTS WITH THE WATER  
TO SEE IF WE CAN FIND  
A CURE TO REVERSE  
THE AFFECTS

FERB I THINK WE HAVE OUR  
SOLUTION TO THE PROBLEM.

BUT WE HAVE  
ANOTHER PROBLEM  
FERB.

WE DON'T HAVE ENOUGH FOR  
EVERYONE, AND WE DON'T HAVE  
THE INGREDIENTS TO MAKE  
MORE. HOW DO WE MAKE THIS  
WORK

DON'T HAVE ENOUGH OF WHAT??

WHAT AT THOSE KIDS  
WORKING ON??

LET'S DO SOME READING  
MAYBE WE CAN FIND  
SOMETHING THAT WILL  
HELP US

YOUR BOOK TALKS ABOUT THE WATER CYCLE RIGHT??

YEAH IT DOES, BUT HOW IS THAT GOING TO HELP US???

**WE WILL  
USE THE  
WATER CYCLE  
TO FIX  
EVERYTHING**

THE WATER CYCLE??? HOW DO THOSE KIDS THINK THE WATER CYCLE WILL HELP THEM?? I DON'T GET IT..

# EVAPORATION

THE TRANSFORMATION OF WATER FROM LIQUID TO GAS PHASES AS IT MOVES FROM THE GROUND OR BODIES OF WATER INTO THE OVERLYING ATMOSPHERE

PG. 10

# CONDENSATION

THE TRANSFORMATION OF WATER VAPOR INTO LIQUID WATER DROPLETS IN THE AIR, CREATING CLOUDS AND FOG.

PG. 11

# PRECIPITATION

CONDENSED WATER VAPOR THAT FALLS TO THE EARTH'S SURFACE. MOST PRECIPITATION OCCURS AS RAIN, BUT ALSO INCLUDES SNOW, HAIL, FOG, AND SLEET.

PG. 12

# SURFACE RUNOFF

THE VARIETY OF WAYS BY WHICH WATER MOVES ACROSS THE LAND. THIS INCLUDES BOTH SURFACE RUNOFF, AND CHANNEL RUNOFF. AS IT FLOWS, THE WATER MAY SEEP INTO THE GROUND, EVAPORATE INTO THE AIR, BECOME STORED IN LAKES OR RESERVOIRS.

PG. 13

# CYCLE #1 EVAPORATION

BY PLACING OUR SOLUTION INTO THE WATER OF THE LAKE, IT WILL THEN **EVAPORATE** INTO THE AIR. ONCE IN THE AIR THE SOLUTION WILL QUICKLY BUILD AND SPREAD.

# CYCLE #2 CONDENSATION

ONCE IN THE AIR, IT WILL BEGIN THE **CONDENSATION** STAGE THEREFORE CREATING AND FORMING BOTH NORMAL CLOUDS AND RAIN CLOUDS, THAT WILL HAVE OUR SOLUTION IN THEM.

# CYCLE #3 PRECIPITATION

THEN WHEN IT STARTS THE **PRECIPITATION** PHASE AND STARTS RAINING, IT WILL THEN DISTRIBUTE THE CURE TO EVERYONE AT ONE TIME.

# CYCLE #4

# SURFACE RUNOFF

WHEN IT IS DONE RAINING THE **SURFACE RUNOFF** WILL THEN CARRY AWAY THE CONTAMINATION, WHICH WILL THEN ALLOW EVERYTHING TO GO BACK TO NORMAL.

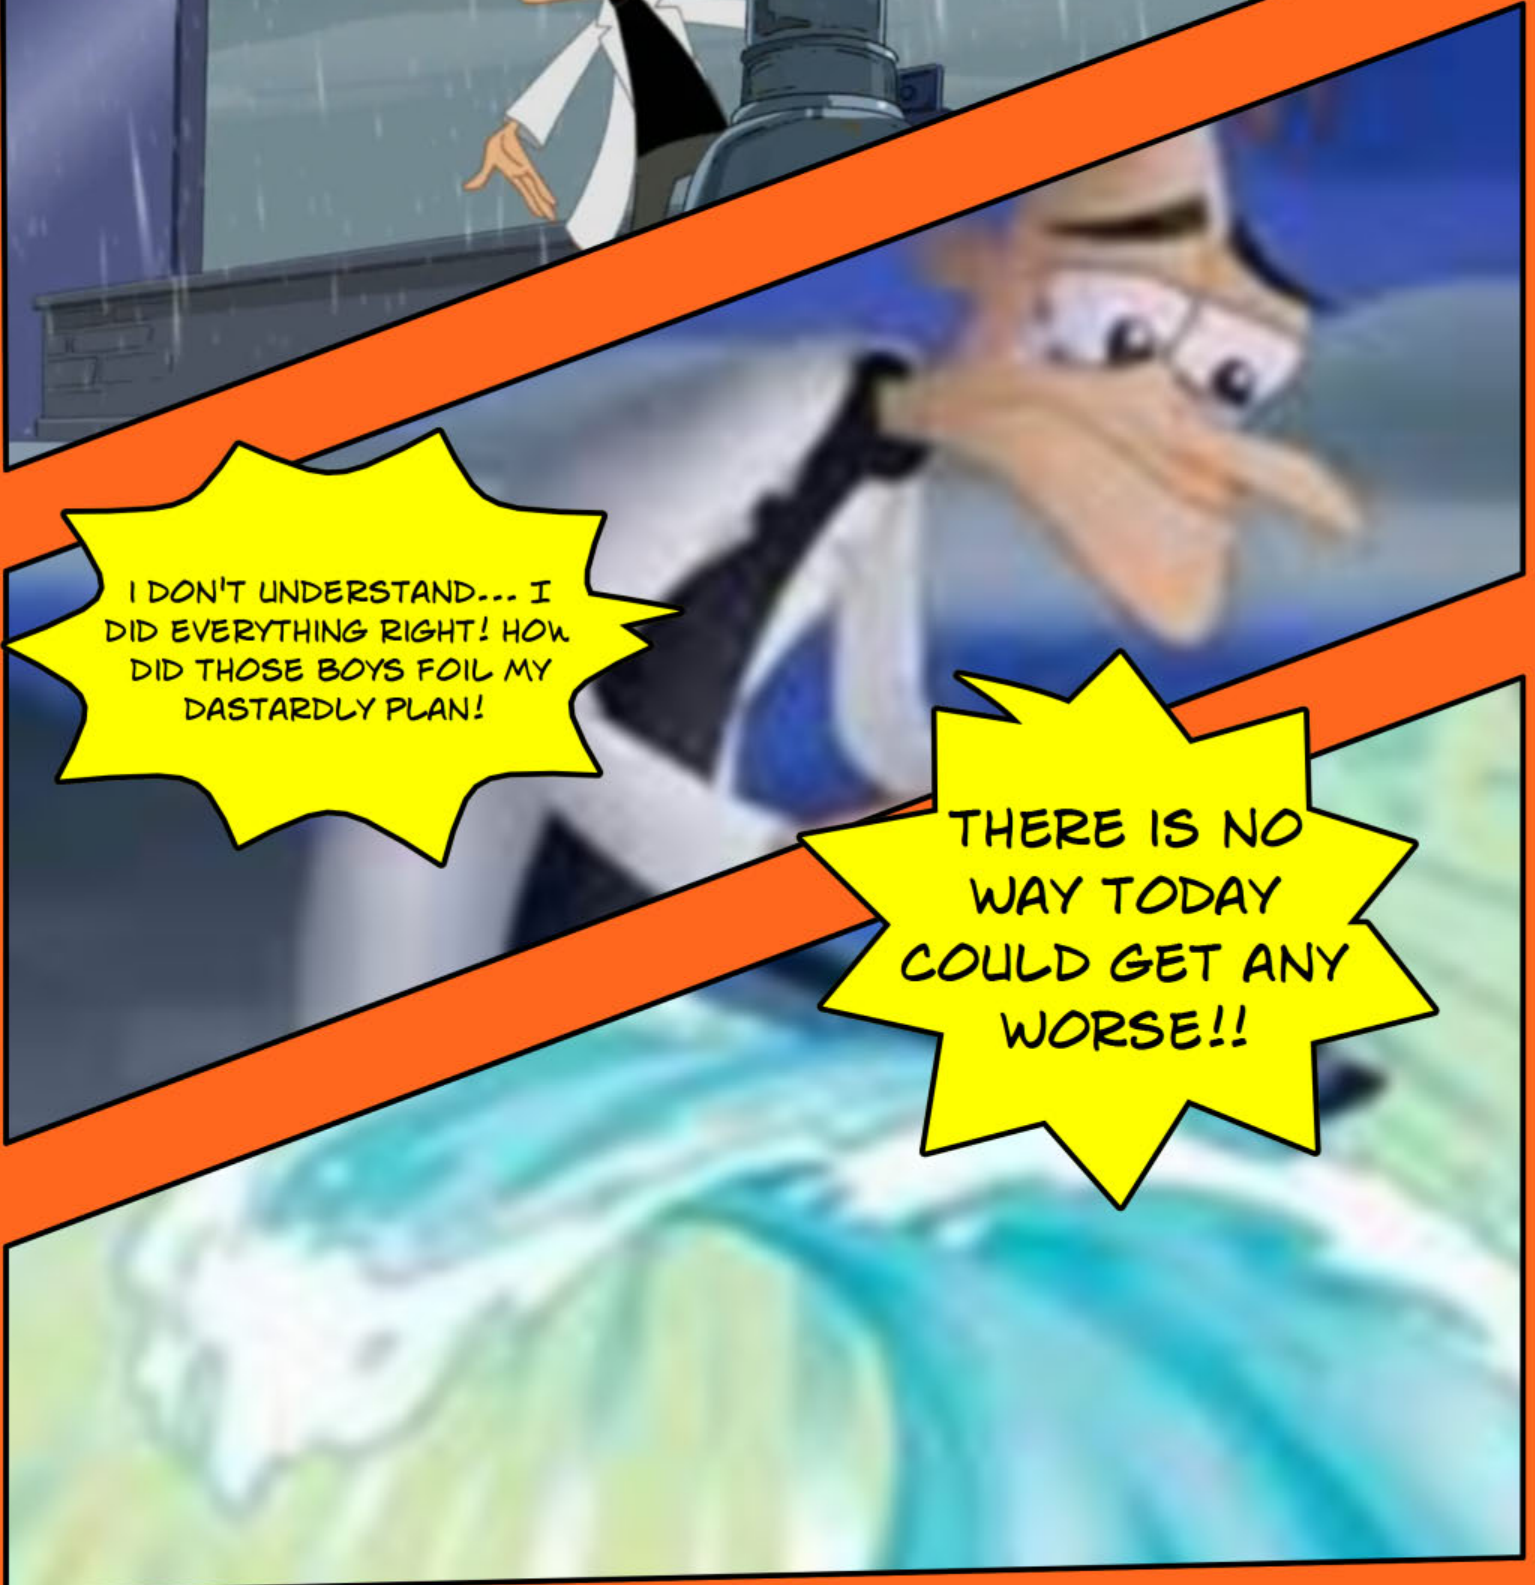

NOOOOOOOOOO!!!!

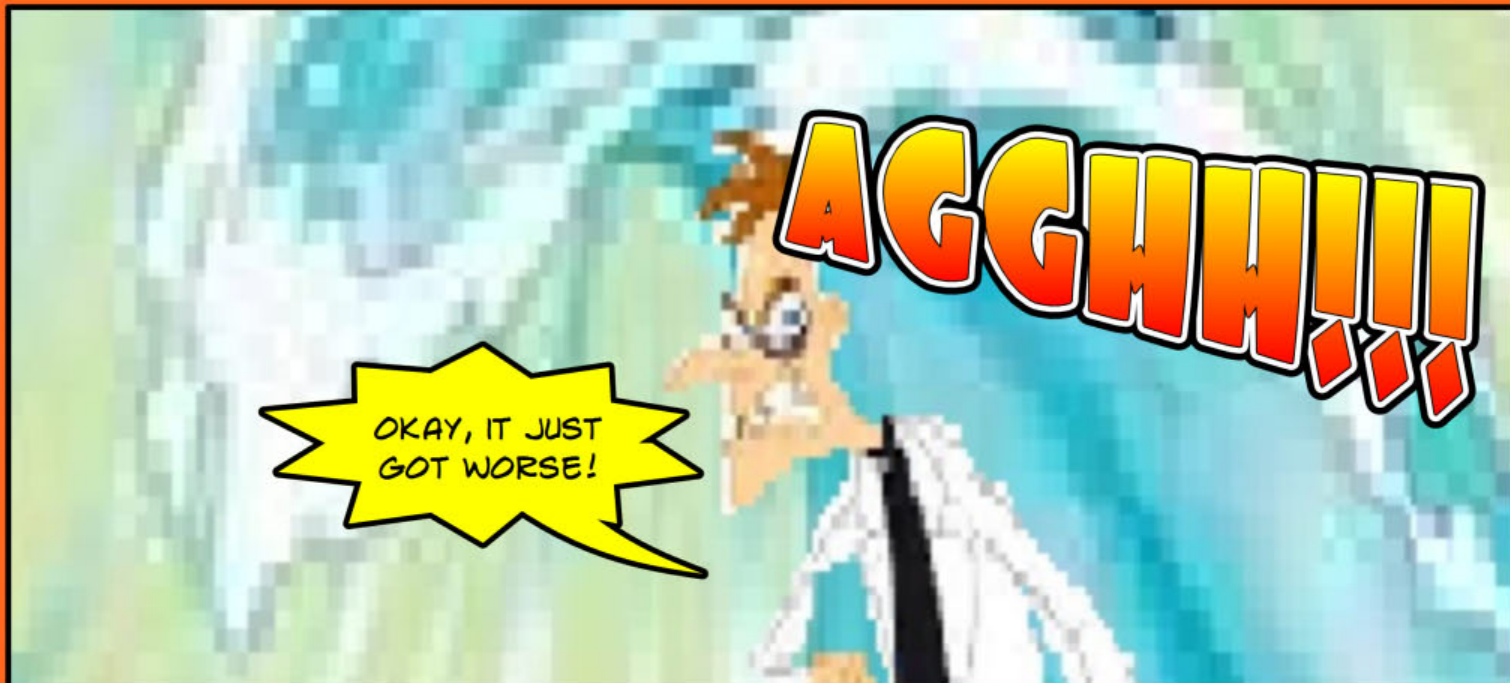

I DON'T UNDERSTAND... I  
DID EVERYTHING RIGHT! HOW  
DID THOSE BOYS FOIL MY  
DASTARDLY PLAN!

THERE IS NO  
WAY TODAY  
COULD GET ANY  
WORSE!!

AGGHHHHH!!!  
SOMETHING'S HAPPENING!!!

I FEEL  
NORMAL  
AGAIN! I'M  
CURED!!!

YOU GUYS! I'M  
BETTER! YOU SAVED  
OUR LIVES! YOU'RE  
HEROS!

**WE DID IT!!!**

**SUPER  
DUDE**

**YAY! YOU  
SAVED US!**

**I'M SO  
SAD...**
