

### **EXERCISE: 3-5 YOUR funding options**

**1. Consider the information you have learned about in class regarding debt and equity. Do you think you would choose debt or equity? And why?**

---

---

---

**2. Do research on the internet to explore your funding options further. Write down the sites you visited and what you discovered. Visit at least 3 sites.**

---

---

---

---

---

**3. What steps do you think you would need to take to approach the investing source you've chosen in #1? List these below:**

---

---

---

---
